Re: MUR 6728

Dear Mr. Herman,

In response to your letter dated March 8, and filed March 18, which I just recently received, please be advised that the matters complained therein were handled by the Mike McIntyre for Congress ("the Committee"), as has always been the practice of the Committee.

No stated assertion of non-compliance is made against the undersigned by the complaining party in section II of the complaining letter. In fact, the complaint's assertion of non-compliance states that "the Committee" – not the undersigned – failed to take certain actions. The undersigned had no knowledge or any reason to believe that any non-compliance had occurred.

With regard to section III of said letter, the complaining party only refers to "the Mike McIntyre Committee" and no assertions are made against the undersigned. In fact, the Committee and the North Carolina Democratic Party handled all aspects of the referenced "Victory Fund", and the undersigned had no knowledge or any reason to believe that any non-compliance had occurred.

Wherefore, the undersigned requests dismissal of the complaint against the undersigned.

Respectfully,

Mike McIntyre
